Take.Control

14.0" - 15.4"

Stylish shoulder bag with iPod controller

The new DICOTA shoulder bag Take.Control 14"-15.4" not only offers plenty of storage room and perfect protection for Notebooks from 14" to 15.4" including equipment but also an integrated iPod controller for nearly all common iPod versions! With the touchpad including an earphone connection which is integrated into the shoulder strap all functions can be turned on or off and the volume can be adjusted as well. The iPod is simply connected in the specially designed multimedia pocket, the earphones are attached and then its all about simply enjoying the music!! The spacious main compartment of the shoulder bag holds a detachable Notebook sleeve with high-class HDF padding (high-density foam). The Notebook is protected perfectly at all times and can easily be transported without the shoulder bag. "Bits and pieces" such as USB drives, pens or CDs are well stored in the workstation on the cover flap. The water-proof zipper makes sure that these utilities are protected from rain.

The second side pocket (aside from the extra pocket for your iPod) is designed for stored small beverage bottles or other utilities. The easy access to the pocket makes for especially comfortable usage. Thanks to the comfortable, adjustable shoulder strap of Take.Control 14"-15.4" your permanent companion isn't a burden, but makes for plenty of musical fun with its controller in the shoulder strap.

Spacious main compartment with padded, removable Notebook compartment (HDF) and room for documents. iPod controller integrated into the shoulder strap including earphone connector for nearly all common iPod versions. specially designed multimedia pocket for connection the iPod. second side pocket for small utilities. further compartment for documents on the bag's rear side. additional zipper compartment on the cover flap with integrated workstation (pens, business cards, CD-ROMs, etc.). water-proof zipper. adjustable shoulder strap with comfortable shoulder padding.
